*Don Señor Crespo,*

Princess Alexandra has asked me to thank you for the welcome you kindly extended to her and Sir Angus when they visited Pozuelo for the inauguration of the British Council School.

Her Royal Highness is aware of how much support and help you gave to the School in arranging the inauguration and would like to thank you for this and say what a lovely occasion it was and how delighted she was to travel a little out of Madrid to visit Pozuelo. It is a wonderful setting for the School and it was clear to her how delighted everybody was that the School was no longer in central Madrid.

In thanking you once more, Princess Alexandra and Sir Angus send you and the people of Pozuelo their warmest good wishes.

*Very sincerely,  
Mary Pilon Knox*

Lady-in-Waiting

Ilmo Sr. D. Jose Martin Crespo.
